

Welcome

Each year KRSG holds a one or two week intense training camp for our advanced training groups.

These are important camps where everyone learns new skills in preparation for the upcoming season. Work on the new routines also starts! Gymnasts will benefit from ballet, dance and gymnastics as well as a fun-filled week with their groups. We strongly encourage all advanced training gymnasts to participate.

These camps are solely for KRSG Club advanced training gymnast and are not made available to the public.
