## **KANATA RSG OPEN HOUSE A SUCCESS!**

The **Kanata RSG Club** celebrated the beginning of its 30<sup>th</sup> year anniversary with a very successful Open House at the Bridlewood Community Elementary School on Saturday June 19. A very appreciative audience of over 200 people attended the event, which ran all day from 11:00 to 4:00.

Kanata Councillor **Peggy Feltmate** joined in the festivities as a special guest and assisted KRSO Head Coach **Dasa Lelli** in cutting the birthday cake. She also presented the club with a certificate from the City of Ottawa. In her words to the audience, Ms Feltmate noted the important role the club has played in providing a sport activity for girls and reminisced how she had been one of Dasa's students many years ago, while participating in noon-hour fitness classes held at the Kanata Leisure Centre.

The Open House continued with performances by all the club's advanced training program groups. The enthusiastic gymnasts ranged in age from 5 to 17 years and showed clearly why the KRSO Club has a long-standing reputation for excellence throughout the Ontario Gymnastics community.

The KRSO Club is one of the largest Rhythmic Clubs in Canada and offers a wide range of Recreational, Aesthetic Group and Competitive training opportunities. All coaches are certified in the National Coaching Certification Program, and the club is a member in good standing of Gymnastics Ontario.

Fall recreational classes are beginning to fill up but for those missed the opportunity to register during the Open House, there is still time over the summer to register.
